

Devil Spirit S guide

You can use the Dimensional Rift to return to your original location or to another location connected to here.

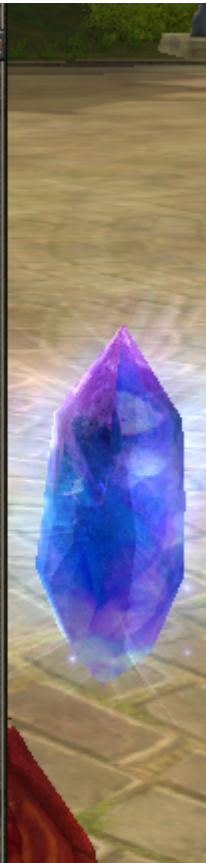

The currently generated dimension is the Forgotten World.

Level : 101 - 130

Grade : ★★★★★

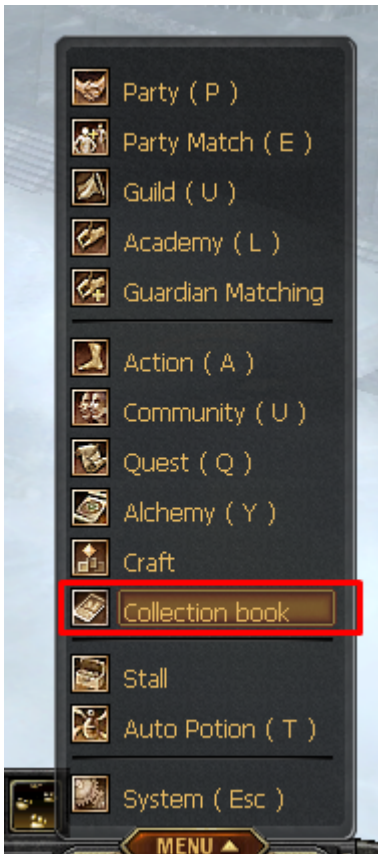

Please note that you must defeat a certain monster or all monsters in order to generate the special monsters to progress the plot or open up a blocked passageway.

1. Teleport to [Outside of the Shipwreck] area.
2. End conversation.

Governor Senmute

It seems that you have something to say.

1. The Suspicious Sacrifice
2. Rumor about the Deities
3. The Sea of Resentment Collection
4. Why the Evil Spirits?
5. Evil Spirit Hunter

You have indeed completed the Sea of Resentment collection. Very well. I will give you this as a gift. Remember, the Devil's gender cannot be changed, so choose wisely the one you need, also this item is tied to your account, you can put it in Storage only, not Trade or Stall!
