

DG25 Crafting [English]

Hello, let's try and explain how to craft DG25 in a easy way for all to understand.

First the items you will need:

You need a DG21 +12 (no aDv) or +16 (with aDv) Weapon/Shield, Blues and Stats don't make any difference.

Scroll of Immolate; D25

1x Spirit Of Sacrifice D25;

Spirit of Sacrifice D25

Type: D21 Awaken Item

Spirit of Sacrifice D25

How to obtain.
Must immolate a +16 (+12 No AdvD)
D21 any Skin
with [Scroll of Immolate D25].

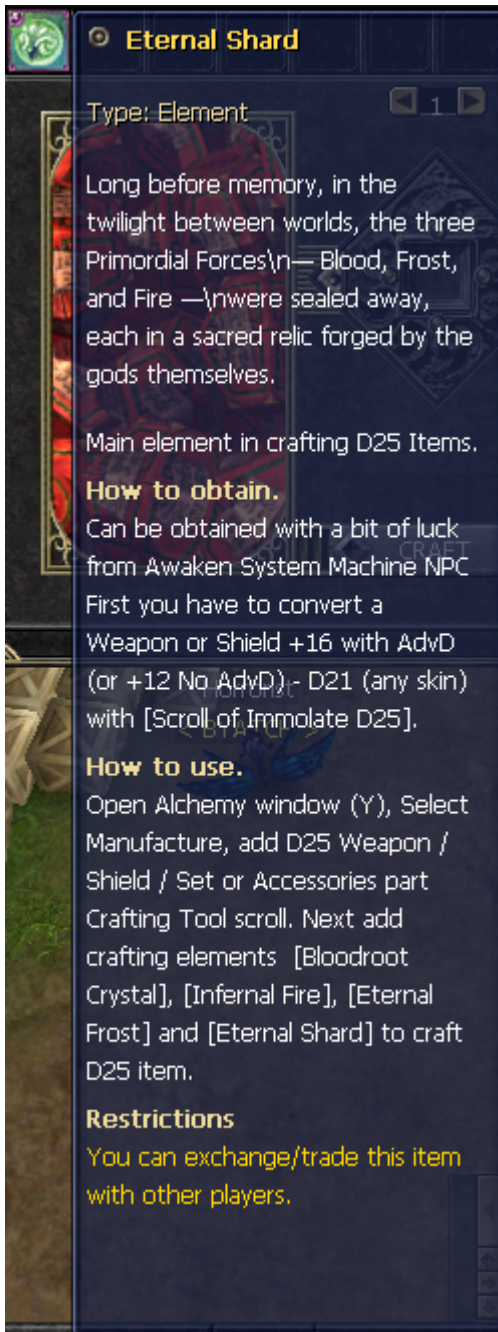

How to use
Bring this item to [Awaken System Machine] NPC in Newbie town.
With a bit of LUCK (IS NOT 100%)
you can get [Eternal Shard] item,
that is used to craft D25 Weapons,
Shields, Set parts and Accessories.

Failed Coupons will be able to
exchange for Thiefs Avatars or
Bamboo Hat!

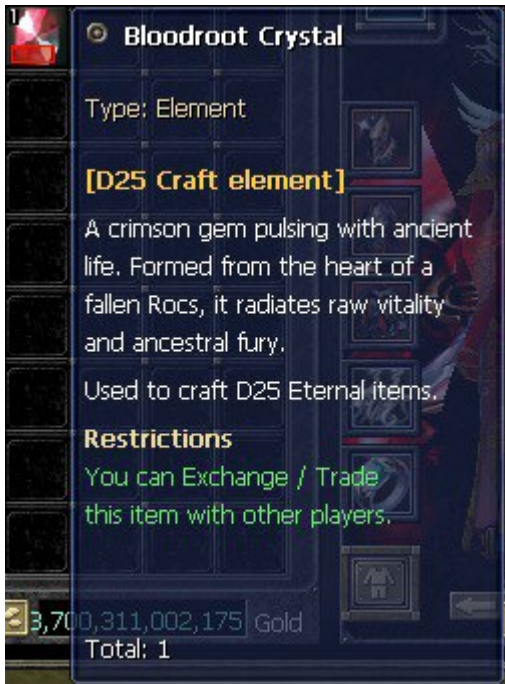

Restrictions
You can exchange/trade this item
with other players.

Total: 1

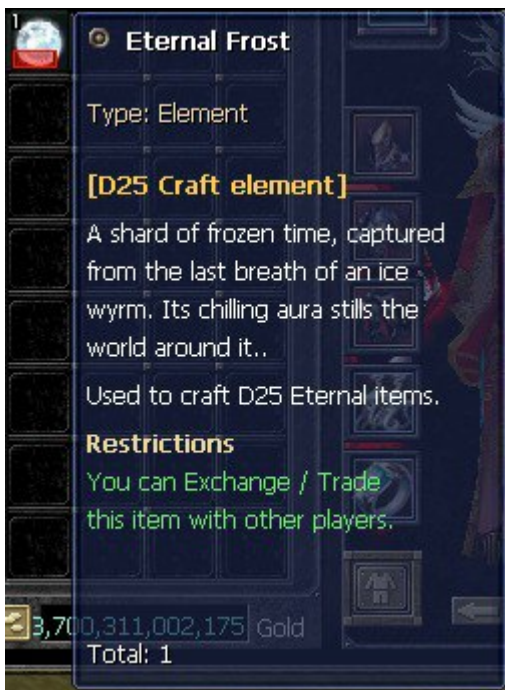

1x Eternal Shard;

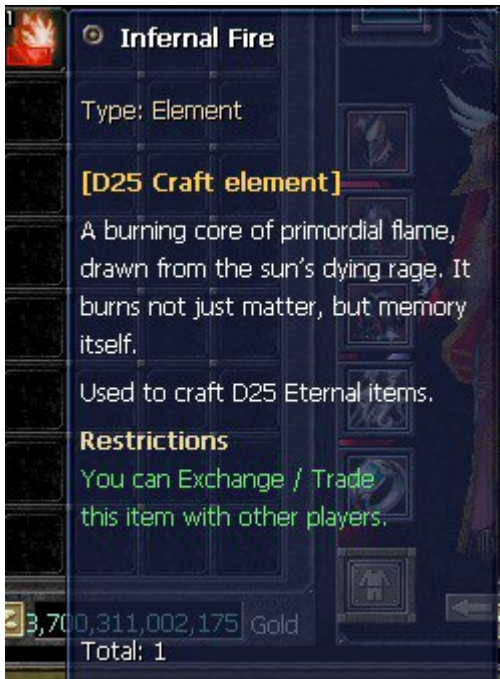

30.000x Bloodroot Crystal;

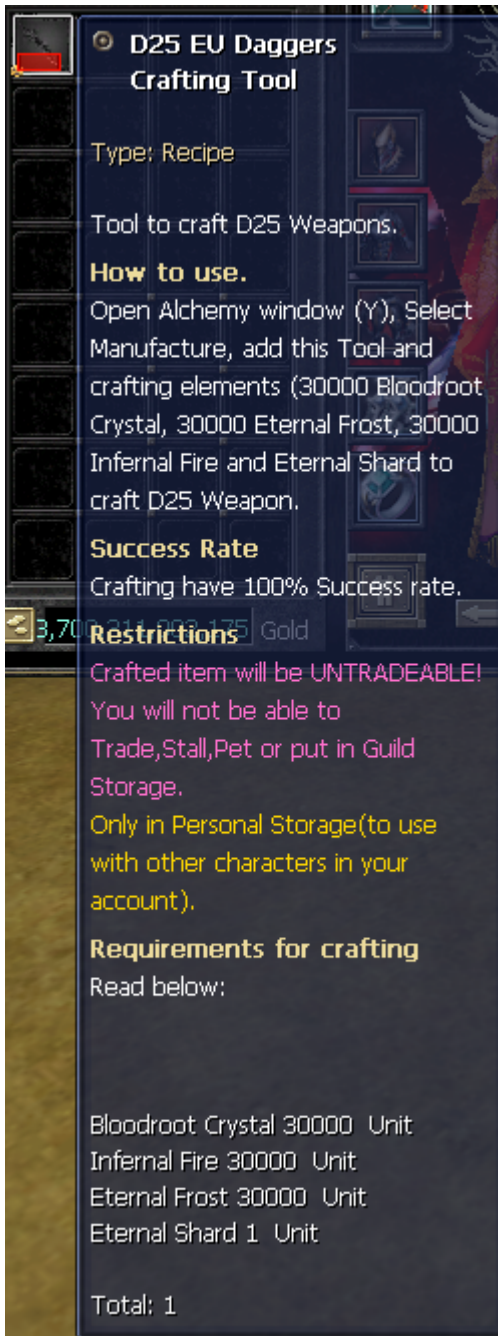

30.000x Eternal Frost;

30.000x Infernal Fire;

1x D25 Crafting Tool of the weapon you desire;

Now on how to get and use these items:

When you have a D21 Weapon or a shield that has +0, you will need to boost it via alchemy up to +12 no adv or +16 with adv.

After you're done, put the weapon in your inventory Page 1 Slot 1 and right click the Scroll Of Immolate, it will destroy the weapon and it will form an item The Spirit Of Sacrifice.

IT'S ADVISED TO ONLY USE THIS SCROLL WHEN YOU NO LONGER NEED YOUR +12 NO ADV OR +16 WITH ADV WEAPON/SHIELD AS YOU WONT GET THEM BACK IN CASE OF A WRONG USE.

With the Item Spirit of sacrifice you can go to Awaken System Machine npc [Newbie town]

Speak with him and exchange your Spirit of sacrifice for a coupon, beware as **this isn't a 100% success rate** so you can still fail.

In case of failure, you will have this grey coupon;

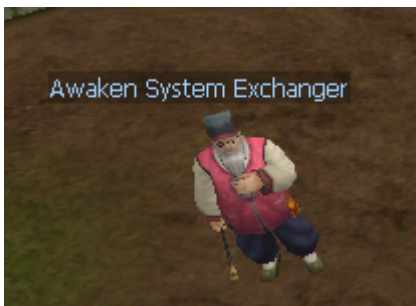

The Winning coupon is coloured **Orange**.

after successfully obtaining the correct coupon

go to NPC Awaken System Exchanger and exchange it you will obtain *the 1x Eternal Shard*.

after failing and obtaining the wrong coupon, you will obtain a random number and random gender of 1x *Thief Avatar Dress/Hat*

D25 Crafting / Alchemy & Scrolls NPC is located at [Jangan]

To get *Bloodroot Crystal*, *Eternal Frost* & *Infernal Fire*, you will need to farm at our new Petra map, as our special mobs - **Flame Bitch** drops them.

You can also get such elements by exchanging Left & Right Hearts at NPC So-Ok, that are also dropped by **Flame Bitch**.

Flame Bitches are dangerous, it is advised to go with your existing D21 weapon and a party, with MAX Reborns.

For easier ways to get *Bloodroot Crystals*, *Infernal Fire* and *Eternal Frost*, you may also hunt Uniques, locations; <https://wiki.exaysro.com/books/guides/page/unique-locations>

And finally after countless days/weeks/centuries of farming with sweat, the final step is to open Alchemy window > Manufacture, place these items like this;

Craft is 100% Success rate!

Click Manufacture.

Congratulations! You finally have a D25 Weapon/Shield!

P.S.

DG25 Set and Accessory process is the same. it only requires you to get 10.000x Infernal Fire/Bloodroot Crystal/Eternal Frost per set/accessory part.
