And as a bonus we give 150 Reborns to every new character.

Reborn is the main system of this server for each reborn you get 10 extra stat points and to do a reborn you need to reach LvL 130 login on website and choose the reborn option.

currently max reborns are 269, that means you can get 2690 extra stat points.

Now about where to go, at LvL 1 the easiest method is to join a party in Event Arena, you have usually players botting there 24/7 just check [E]Party Match and you can reach LvL 101-110 in no time.

Newbie Town

Use the dimensional gate to move to another location with a dimensional gate. However, a toll will be levied, the amount varying from location to location. After you select the region you want, you can pass through the gate and reach your desired location.

1. Teleport to [Newcomers Room 1-50]area.
2. Teleport to [Jangan]area.
3. Teleport to [Event Area]area. 
4. Teleport to [Shops Area]area.
5. Teleport to [Gods Area]area.
6. End conversation.

After reaching your desired LvL, you can teleport to Baghdad area where the mobs are all 130 and LvLup

And you can always open [E]Party Match and find a party to help you LvLup

GB can be gotten via quest in Newbie Town and Arena Coins are dropable from Mobs

But beware this is not the endgame, max DG is 21 for weapons only while rest of gear is 15dg. So there is still something left to do after you have done all steps in this guide 😊
